Makes about 375 mL (1½ cups)

### Tools and Materials

Sweet almond oil

Beeswax

Honey

Measuring cups and spoons

Microwave-safe bowl

Whisk

Microwave

Small containers with lids

### Instructions

1. Place 250 mL (1 cup) almond oil and 125 mL (½ cup) beeswax in a microwave-safe bowl.
2. Microwave on high for one minute or until the mixture melts.
3. Whisk the honey into the beeswax mixture and stir well. Set aside to cool completely.
4. Once cool, pour into small containers with lids.
5. Apply to lips as a moisturizer, or on top of lipstick for extra shine.
